

**CANDIDATE FOR CITY COUNCIL MEMBER, WARD 3
CITY OF SAN BERNARDINO**

NAME: GWEN TERRY

OCCUPATION: Secretary

I am running for the Third Ward Council Seat because I believe I can help make a difference in San Bernardino, particularly the Third Ward.

About eight years ago I helped form a Neighborhood Watch Group and was later appointed to the Telecommunications and Police Commissions by former Third Ward Councilman Gordon McGinnis. I have been interviewed by the Sun Newspaper for my part in helping to fight crime in my neighborhood as well as my involvement with my Neighborhood Watch Group. I have also been a guest speaker at a Western District Crime Briefing to speak on my efforts to reduce crime in my neighborhood. I have a very close working relationship with the San Bernardino Police Department.

My goal as your Council Member is to contribute ideas that will have a positive impact on our City, as well as provide my support as needed.

Some issues that concern me are:

- Crime -- The need for more police
- Economics -- More businesses that will hire area residents
- Youth -- Local programs for our youth

I need your involvement to accomplish my goals. Once I'm elected, look for regular town hall meetings. I know if we work together, we can make a positive difference.
